CUSTOMER'S OWN MATERIAL

Here at Stuart Jones, we offer a wide range of fabrics to choose from, as well as our own extensive range we can also offer any fabric from the Covertex range. (www.covertexltd.co.uk)

In addition, our highly skilled team can use your own supplied fabric to make many of our products. You will need to ensure that your fabric is of upholstery quality - your fabric supplier should be able to confirm this for you. To comply with UK legislation, and to safeguard all parties, we ask that flame retardant fabric is supplied. It must meet Schedule 4 and Schedule 5 Part 1 Source 0+1 of the (Fire) (Safety) Regulations 1988 Furniture and Fillings (Cigarette & Match Test (BS5852).

Non-flame retardant material can be used on headboards and furniture where the fabric composition is a minimum of 75% natural fibre, (Natural fibres include cotton, wool, flax, linen, viscose and modal) as we are then able to apply a fire retardant interliner. Owing to the fragile composition of silk we do not accept orders in this fabric. In addition, we are unable to offer our interliner service for beds and all fabric for these orders must be treated before we receive it.

All customers own material fabric must clearly state any preference for pattern matching, centralising or direction of fabric or we reserve the right to cut and upholster it at our discretion.

SPECIFICATIONS

Please be aware that if a fabric is directional, seams will be required where the panel is wider than the width of the fabric roll.

Piping will be joined where possible, if no joins are required please state this upon ordering as a higher amount of fabric will be required.

While every care is taken in the compilation of this brochure, the colours and textures shown can only be as accurate as printing methods allow.

Accuracy cannot be guaranteed and images should be taken as a guide only.

All dimensions are approximate.

We reserve the right to alter specifications without prior notice.

For our full range of furniture and beds please visit our website: www.stuartjones.co.uk

All furniture legs, unless specified otherwise, are available in all of our colour and wood finishes.
Due to the natural variations in the wood grain, there may be slight differences in the colour finish.
